

Oil and Gas Industry Air Shed Management

Uintah Basin Monitor Locations

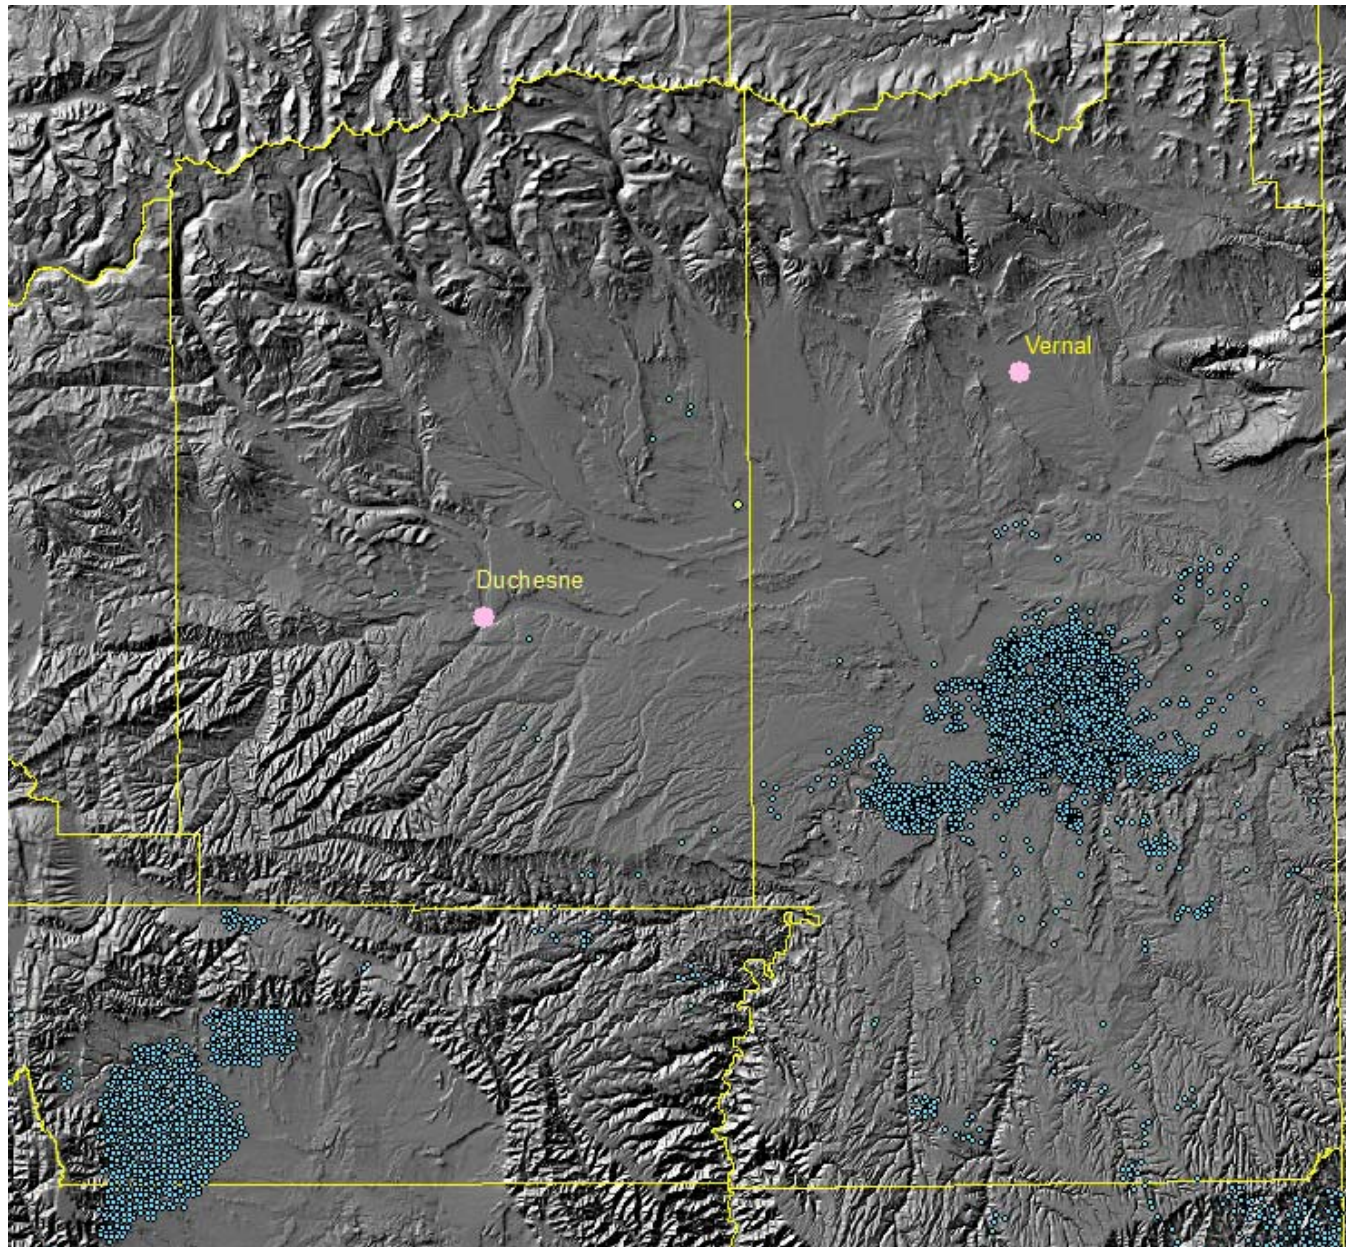

January 9, 2007

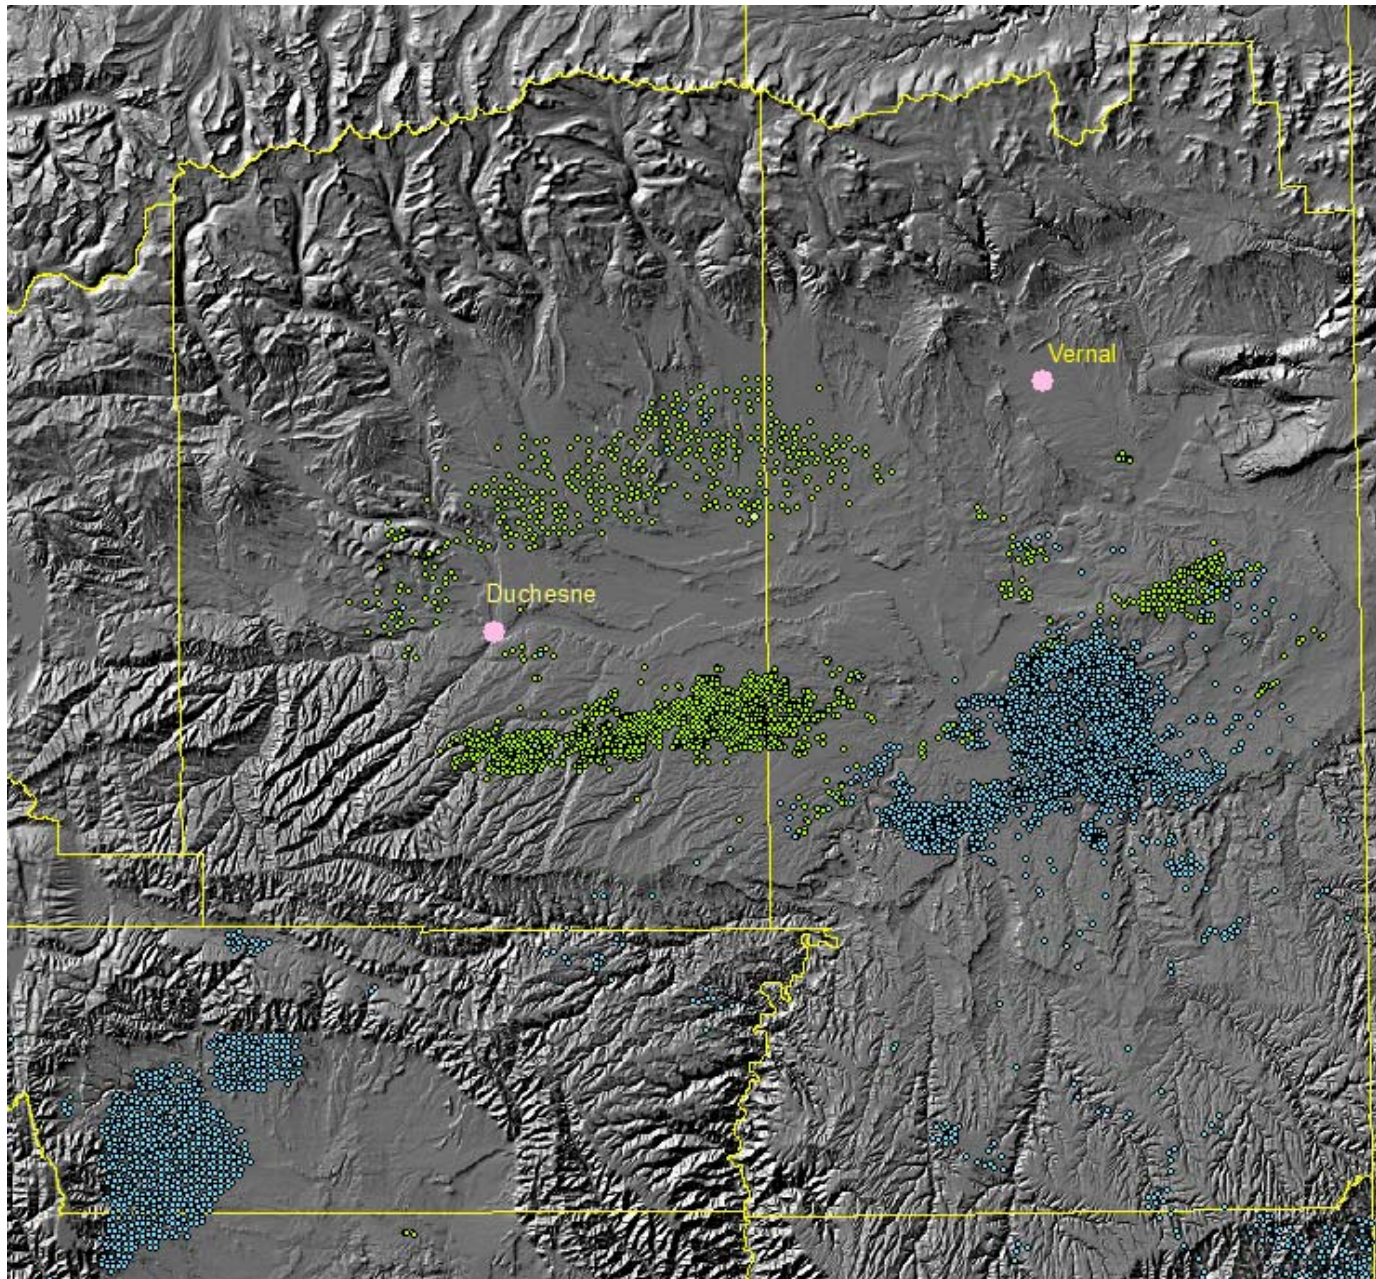

Uintah Basin; 1 monitor now located in Vernal

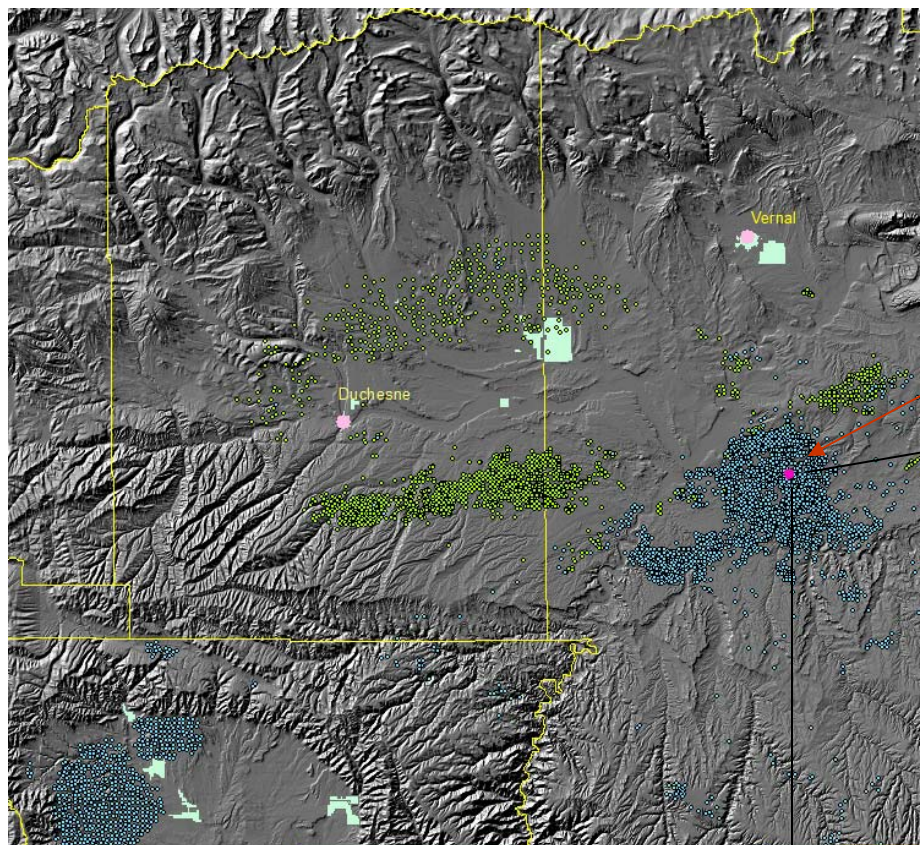

Gas wells

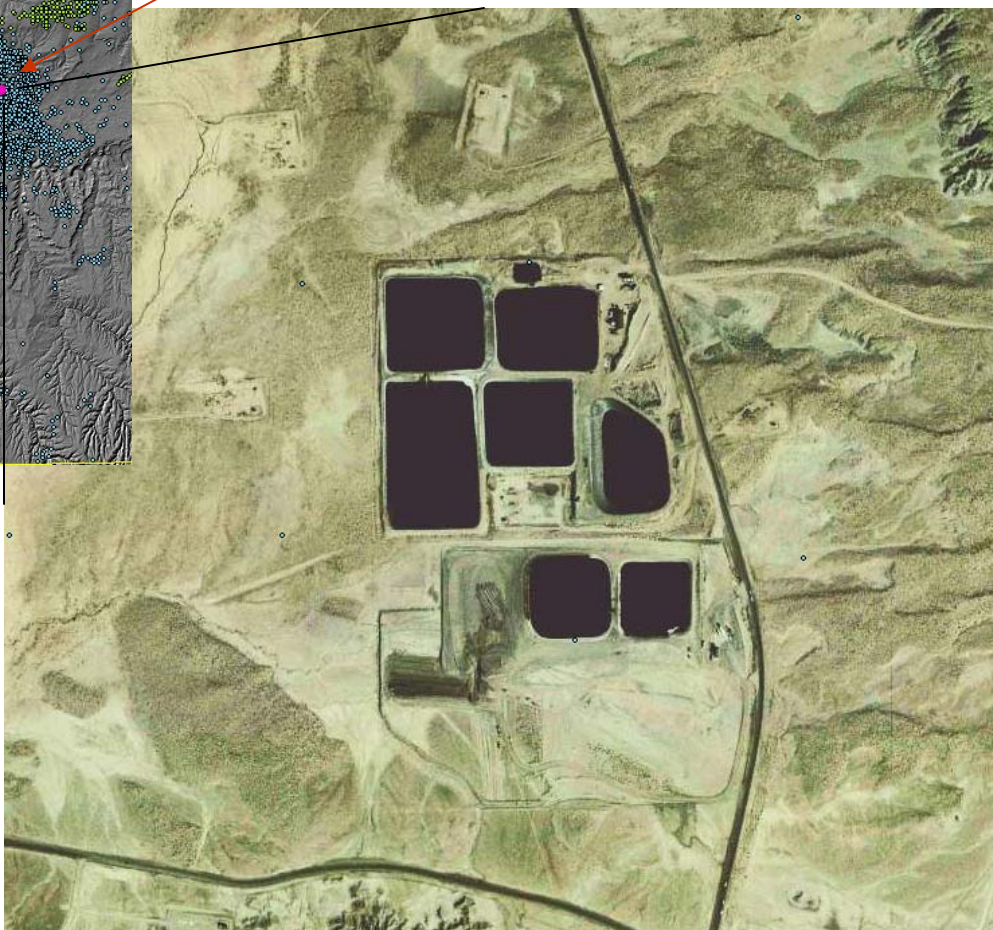

Gas + Oil Wells

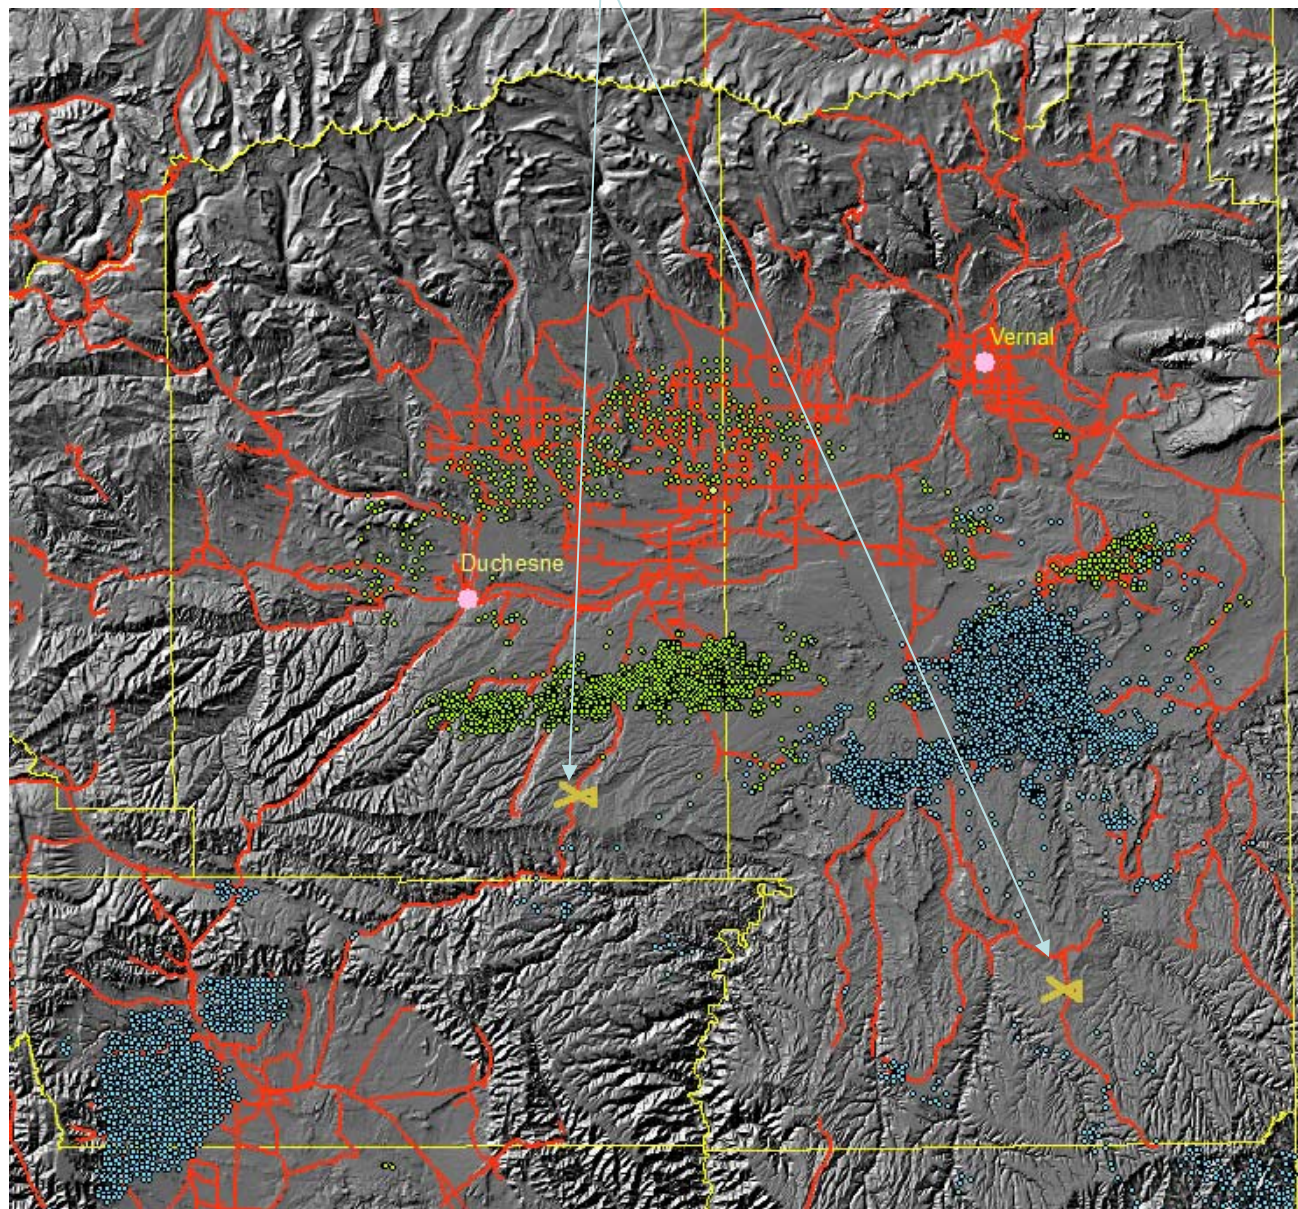

Arbitrarily chosen site for a monitor in the middle of the production area

Possible upwind locations

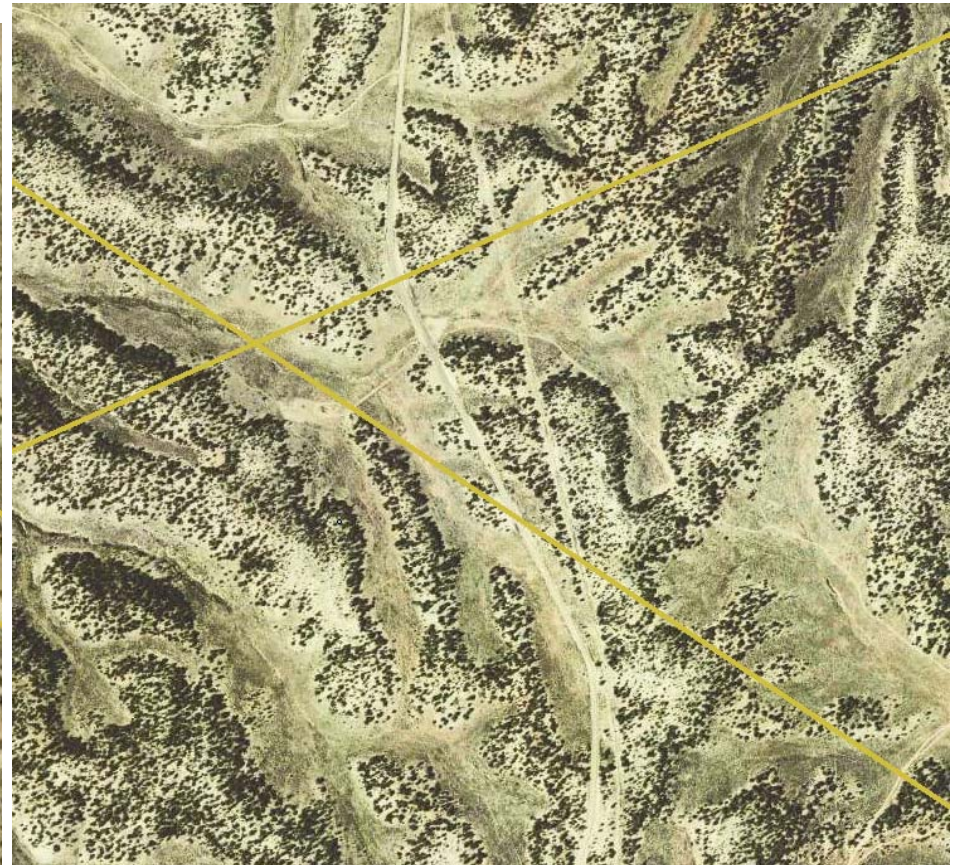

Too isolated, no infrastructure

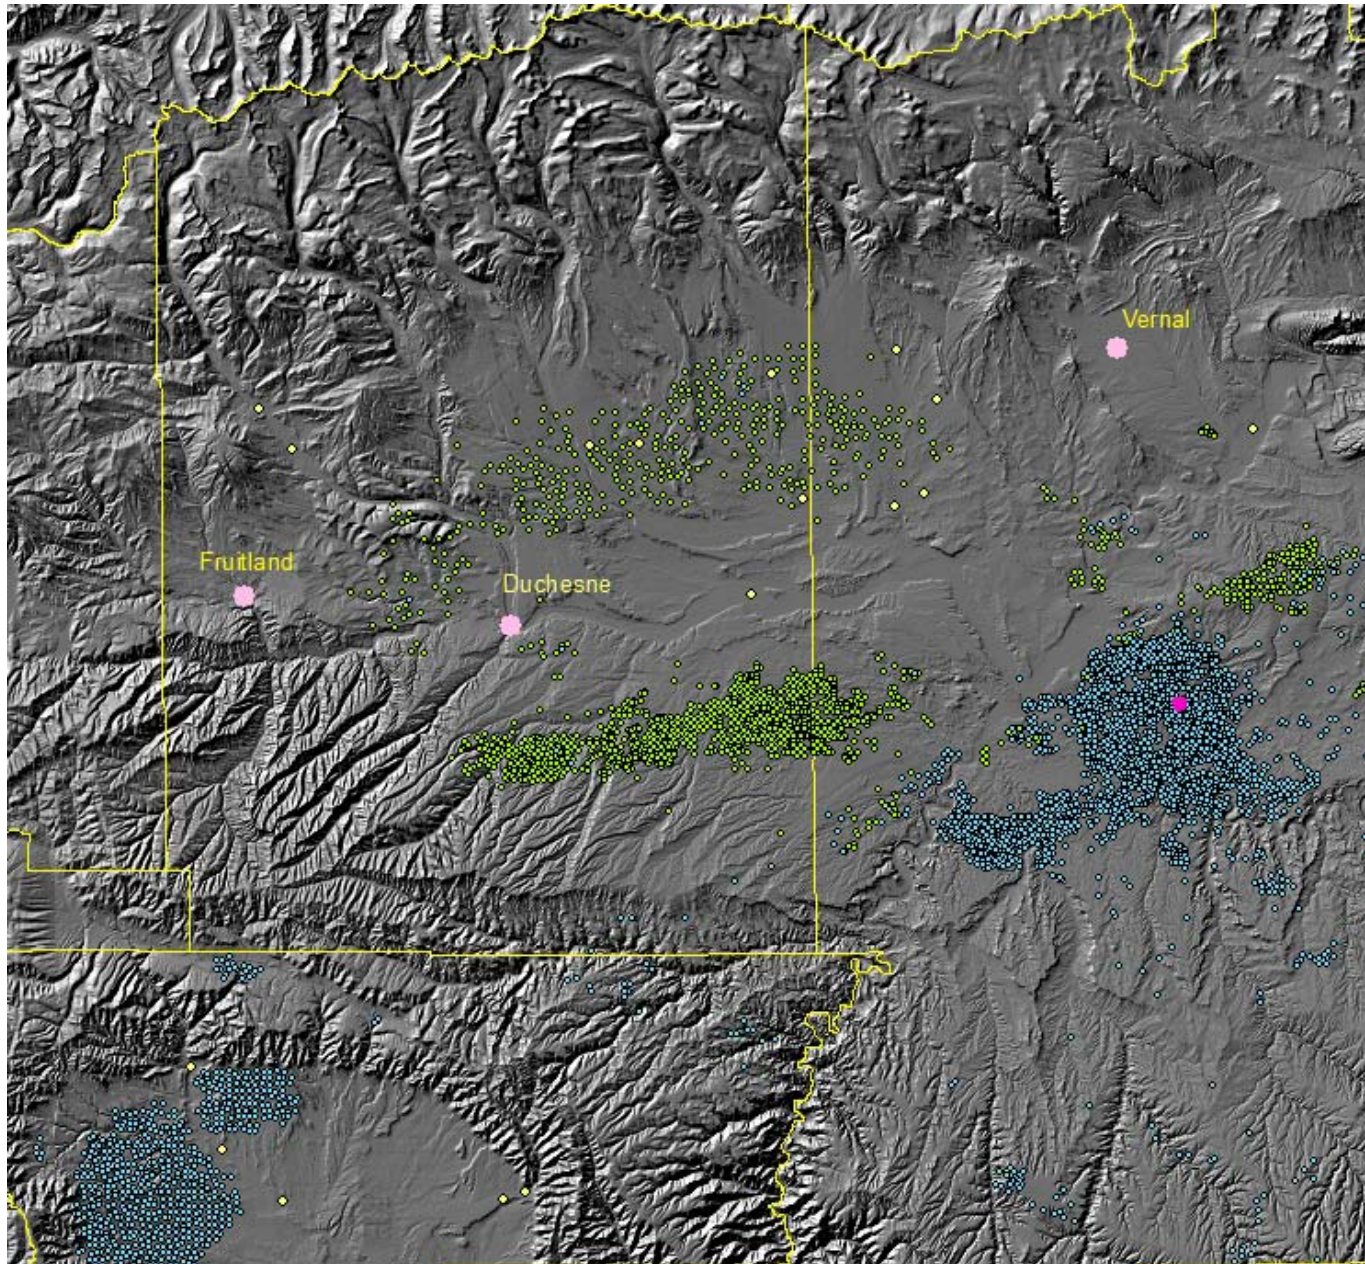

Duchesne Co.

Uintah Co.

Town of Duchesne or Fruitland; most practical choice for an upwind monitor

Duchesne

Greater Fruitland metropolitan area
